

Topsfield Cable Television Advisory Committee

September 1, 2010

Approved 12/1

Executive Summary

Comcast negotiations continue. The committee is waiting to receive information from Comcast concerning their assumptions for revenue projections. Elementary School Committee meetings will be held in Topsfield and re-broadcast. It is still unclear if Middleton will record the Tri-Town School Union meetings and make them available for broadcast. We have no schedule from MASCO about recording their School Committee meetings. The Artists Release form has been reviewed by the Town Administrator and determined not to need legal review. Local access programs are in production: Sunday afternoon concert, Library lecture, Historical Society lecture. A meeting will be planned with a local volunteer to investigate some type of "local news" video program.

Meeting opened at 7:35 PM in Town Hall.
