- DiGiorno pizzeria Tuscan-style Chicken Pizza

The voluntary recall is limited to the production codes listed below. To locate the production code, consumers should look on the side panel of the package. No other production codes, sizes or varieties of **DiGiorno, Lean Cuisine or Stouffer's** products are affected by this recall.

No injuries have been reported. We are recalling these products because they may contain small pieces of glass that may cause injury. Although our investigation is ongoing, we believe the source of the glass is spinach that was an ingredient common to the products subject to this recall. Nestlé USA is taking this action out of an abundance of caution after several consumers reported that they had found small pieces of glass in some of these products.

Consumers who may have purchased the products listed above should not consume them but should instead contact Nestlé Consumer Services at 1-800-681-1676.
