## **House Numbers**

*Is Your Number Clearly Visible from the Street?* 

## **Seconds Count in an Emergency**

- Protect your family and your property by having large visible house numbers.
- Firefighters, police officers, and paramedics find you faster when your home is properly marked.
- A visitor, child or injured person may be unable to give clear directions.
- Emergency personnel from a neighboring community may be unfamiliar with your area.

## **Use Large Visible Numbers**

- Numbers need to be at least 4-inches in height and facing the street.
- Put the numbers under lighting, and use numbers with a contrasting background, so they will be visible at night.
- Be sure to use the E-911 address for the property.
- If your driveway is long, post your house number on both sides of a mailbox or sign pole at the end of the driveway near the road.
- Be sure to keep numbers visible by trimming trees and bushes.
