Revised Septic Plan Submittal Received April 16, 2024

Property Location: 8 Mansion Drive, Topsfield, MA 01983
Assessor's Map 18, Lot 15

The revised septic plan designed for the referenced property as designed by John Morin PE with an original plan date of March 29, 2024 and revision date of April 10, 2024 has been approved by the Topsfield Board of Health on April 22, 2024.

The plan approval date is April 22, 2024, and the corresponding Disposal System Construction Permit will be valid for three years from the date of approval. A licensed septic installer must come to the Board of Health office to obtain the permit and a copy of the approved plan on file. The system designer is required to conduct construction inspections and provide as-built plans of the system installation.

This septic plan approval is for the Board of Health jurisdiction only, and does not imply approval of other Town Boards. Compliance with other Town requirements, including, but not limited to the Conservation Commission, is the responsibility of the property owner.

If you have any questions, please contact our office.

Sincerely,

Gerard McDonald
Health Director
