

HOUSEHOLD HAZARDOUS WASTE COLLECTION WASTE MOTOR OIL VOUCHER

Present to waste oil attendant at the Boxford Waste Oil Facility located behind the DPW garage, 7 Spofford Road, Boxford (on the access road to the Recycling Center) on the first Saturday of any month from 9:00AM-12:30PM.

PROCEDURE: Users will turn in this voucher giving name, address, license plate number and quantity of oil to the motor oil attendant. Motor oil should be in suitable containers that will be checked for contents. Unacceptable material will be given back to the person delivering it. Users will wait while their motor oil is poured off by attendant who will then return the oil containers to users for future use of disposal.

DIRECTIONS TO FACILITY: Take Route 95N to Exit 53B, Route 97 N Georgetown. Turn right onto Route 97 N, take the first left onto Pond Street. Take the next right onto Ipswich Road and follow for 2 miles and turn right onto Spofford Road. After a few hundred yards on the right will be 7 Spofford Road, which is the entrance to the Recycling Center.

Non Accepted Materials/Liquids Include:

- Gasoline
- Anti-Freeze
- Kerosene
- Paint Thinner
- Brake Fluid
- Transformer Oil
- Contaminated Motor Oil
- Any high inflammable hydrocarbon
