

emails from the week of August 19, 2021

TO: Zoning@Topsfield-ma.gov

Hi Donna,

Could you please tell me what the status of peer review is for this project? I have the following questions:

1. Has a contract been signed with the peer review engineer, and if so are you expecting a report by the August 24th hearing?
2. Who is being retained as peer reviewers, and will the scope of the review include reviewing the wetland delineation, and traffic impacts?

Also, are there any recent submissions to the ZBA since the last hearing on July 27th? I don't see anything new posted on the website.

Thanks,
Dan

RESPONSE PROVIDED:

Mr. Hill,

Here are answers to your questions:

- 1) There has not been any contracts signed with peer review engineers. Therefore, no report will be heard on August 24th from peer review engineers.
- 2) No firms have been retained for Peer Review at this time, no contracts signed.
- 3) I have received no new documents to date for this project, therefore none has been posted to the website.

Respectfully,

Donna
